NZEI/PPTA MEETING REMINDER

This Wednesday 14 September the NZEI (New Zealand Primary Teachers Union) and the PPTA (Post Primary Teachers Union) have called a combined paid union meeting to discuss the Governments proposal to alter the way in which schools are funded.

This is the first time I can recall a combined meeting being held which shows the level of concern our teaching unions have in relation to the proposed changes.

As the meeting has been scheduled for 9:00am on Wednesday 14 September classes will not start on that day until 11:00am so as to allow both our teachers and support staff to attend.

Kind Regards
Graeme Lind
Principal
