**Piano/Keyboard Lessons for Term 4**

Music Lessons commence Week 1 of Term 4 and are held during school time on a Monday and Friday.

For further information, please contact Anne 578 7899.

## Taranaki Syndicate Garage Sale

On Friday 16th September, the Taranaki Syndicate will be holding a garage sale. The proceeds from this event will go towards funding a 'Life-Saving Beach Education Trip' in Term 4 and supporting the Cambodian Charitable Trust who are helping children in Cambodia to break the poverty cycle.

The sale will begin at **2.00pm** and continue until either **4pm** or when everything has been sold.

The Garage Sale will take place in **The Greenpark School Hall**. Children, parents, caregivers and friends of Greenpark School are welcome to come and browse and hopefully buy some items to help with our cause.

It will be enormous fun and there will be plenty of bargains to snap up! See you there!

Kindest regards,  
**Taranaki Syndicate Teachers.**

## School Holiday Ideas – Community Notices

**Codebrite's one day 'learn to code' workshops** are on again these school holidays, running on 3-4 October 2016. Children can participate on one or both days as the programme enables them to build on the skills covered on day one on the second day.

The workshops focus on critical core concepts such as the discovery of HTML, CSS and JavaScript, and participants will learn to build webpages, simple apps and games. They will also gain access to resources to continue learning and building independently.

Early bird registration is \$79 for the each day (available until 25 September, \$99 thereafter). The workshops run from 9.30am until 400pm and are suitable for children aged nine years and over. Spaces are limited to 20 participants each day.

Visit <http://codebrite.nz/> for more information and to register.
