

GREENPARK SCHOOL

Give your child the advantage

Thursday 17 November 2016

IMPORTANT ROAD PATROL INFORMATION, WALKING SCHOOL BUS & CANS FOR CANTERBURY APPEAL

Dear Parent/Caregivers

- **ROAD PATROL TOMORROW *IMPORTANT*** - Please be aware that there will be **NO** Road Patrol on duty tomorrow (Friday 18 November). If you are driving along Argyll Road tomorrow, please take extra care when approaching the crossing. Please do not park or stop on the yellow lines as this makes it hard for our students and drivers to see each other. We appreciate your assistance with this.
- **ROAD PATROL STUDENTS 2016** – Reminder if your child has been on Road Patrol duty during the year, they have their Orange Day parade tomorrow. Notices and permission slips have gone home about this already. Students need to meet Mr Sutherland under the sun shade at 8:30am remember to wear orange and bring your togs and towel. Students must have returned their permission slip to be able to attend.
- **WALKING SCHOOL BUS** - We are putting a call out for any parents/caregivers that would like to help start up a walking school bus to the Carlisle Street Dairy. If you are interested in helping walk the students from school down to the dairy after school (doesn't have to be every day) please see Mrs Ware in Room 31 or contact the school office.

- **CANS FOR CANTERBURY DAY APPEAL TOMORROW:** Greenpark School is proudly supporting the Cans for Canterbury Appeal to help support those families that have been affected by the earthquake on Monday. We are asking students to bring in a can(s) or bottled water – write a message of support on it in Vivid and place it in the box at the school office. Our friends at Tarpaulin Makers (BOP) will come and collect the box Friday afternoon and pack them on a truck and deliver to Canterbury to those in need. It is a really short turnaround so any support you can give is really appreciated.

CANS For Canterbury

Ok let's help out where we can BAY OF PLENTY our South Island family need us again!!!

We need bottled water and non perishable food to send to the people who need it. Write your messages of support on the items so they know how much we care.

Please bring your can or bottled water into the Greenpark School Office on Friday 18 November between 8am - 3:30pm.

Thank you for your support.

Kind Regards
Greenpark School Office
