Give your child the advantage

Road Works on Cameron Road Chinese Whispers World Record – Year 5 & 6 Students

Dear Parent/Caregivers

Road Works on Cameron Road

We have been advised by the Western Bay of Plenty District Council Office on Cameron Road (next to Greenpark School) that they will be beginning some significant Earthworks within their property this coming Wednesday 1 March through to mid-May.

Please be aware that while they are working with us to ensure there will be minimal disruption to the students as they are coming to and from school, they do need to take extra care around this area.

Chinese Whispers World Record – Year 5 & 6 Students

Greenpark Year 5 & 6 students will be attending a Chinese Whispers world record attempt at Tauranga Intermediate School on Wednesday March 1. Uzabus are sponsoring the transport and so there will be no charge. As part of the legal verification of the attempt for the World Record, media will be present filming and taking photographs. If you do not want your child to be filmed or photographed, please let the office know and your child will be excused from the event. office@greenparkschool.co.nz

Kind Regards

Greenpark School Office
