

GREENPARK SCHOOL

Give your child the advantage

COMMUNITY OF LEARNING SURVEY

Dear Parent/Caregivers

Greenpark school is involved in a Community of Learning with other local schools.

Together with our learning community we are working towards raising learner engagement, accelerating learner progress and achievement, effectively transitioning learners between schools, fostering the growth of all learners and addressing the disparity in achievement of sub groups within Greenpark school.

Part of this involves examining the culture of our school, and this is where we need your help. Please take a few minutes to click on the link and share your thoughts with us by filling out the survey. Please complete by Friday the 10th of March.

<https://www.surveymonkey.com/r/DWVFXP5>

Your interest in your child's education is much appreciated.

Kind Regards

The Community of Learning Leadership Team
