ABOUT THE GREENPARK SCHOOL PTA

The Parent Teacher Association (PTA) of Greenpark School consists of parents, a teacher representative and a Board of Trustees representative. Members meet regularly in order to facilitate parental participation in our school and to discuss and organise fundraising initiatives and projects for the benefit of Greenpark School children. In the last year the PTA has organised events such as the school disco, Greenpark A-thon, Abacus fundraising calendars, Juicy Days and Hotdog Days. Funds raised from events such as these go towards improving the environmental and educational facilities of the school.
