Give your child the advantage

MATARIKI CELEBRATION – FRIDAY 23 JUNE 2017

Dear Parent/Caregivers & Whānau

Shared Kai (Lunch)

On Friday 23rd June Greenpark School will be celebrating Matariki with a shared lunch. We ask that parents and whānau provide a small disposable plate of healthy kai to share. The school will all begin their shared lunch at the same time (12:15pm) but will eat within their syndicates in a designated area. Whānau are welcome to attend the lunch as well as take part in the afternoon sharing that will be happening school wide.

Can you help? Please make contact with the classroom teacher if you are able to support in setting up or packing down the lunch.

Hangi Fundraiser

Also to celebrate Matariki and to raise funds for our group travelling to Korea in September this year, there will be a delicious Hangi available on Friday 23 June.

Hangi are \$12 each (this will include kumara, pumpkin, potato, cabbage, stuffing and two meats.) There are a limited number available. Pre ordered hangi will be available to collect from the school office between 2pm-4pm on the day. Payment can be made through Wrap it Up Payment Portal or via cash and Eftpos at the school office. This is separate to the shared kai as mentioned above.

Kind Regards

Whaea Ebony

Head of Maori - Greenpark School
