

Community of Learning (COL) – Culturally Responsive and Relational Pedagogy Survey

Dear Parents/Whānau

As part of our ongoing Professional Learning, the teaching staff are interested in understanding more about your perceptions of your child/children's experiences in the school.

This survey is an opportunity for us to find out about your perceptions and views. Your participation in this survey is voluntary and your responses are anonymous. The survey link goes directly to the Waikato University who will collate your responses and provide us with evidence to inform our decision-making about our next steps with regard to Professional Learning.
