**PLAYGROUND FOR GREENPARK SCHOOL**

---

Dear Parent/Caregivers

**NEW PLAYGROUND**

We are currently going through the planning process of removing the old adventure playground and replacing it with a modern playground for all students Years 0-6 to access.

We will be asking our students what they really want the new playground to provide for them. This will form the basis of the design brief and concept that we can take to the professional playground companies for plans and pricing.

Both the Greenpark P.T.A and B.O.T will be looking at funding options to make this new playground a fantastic place for everyone to enjoy and we appreciate their support.

**OLD PLAYGROUND**

To keep costs down, we would like to remove the old playground safely and in the weekends. If you have any skills in this area or machinery that would make the job easier, please complete this reply form and return to school. If you might be able to assist during a weekend (dates to be arranged) with taking the playground apart, please complete this reply form and return to school.

Thank you in advance,  
**Jason Mischewski – Deputy Principal**

**Name:** \_\_\_\_\_ **Phone:** \_\_\_\_\_

- I can help by smashing wood with large hammers.
- I can help by supervising boards being removed.
- I have machinery that would make the job easy. Machine: \_\_\_\_\_
- Other assistance or ideas \_\_\_\_\_

**Please return to the school office by 19/09/2017**
