

12th April 2018

Dear Parents/Caregivers

The children from the Ngauruhoe Syndicate and Room 16 and 17 of the Taranaki Syndicate are booked to participate in the Water Skills for life Programme for 2 weeks between Monday 14th May and Friday 25th May. This is a compulsory component of our teaching programme.

The focus of the programme is on fundamental skills that are necessary to survive in the water. These include skills such as; submerging, floating, orientation in the water, safety in the water, safety for yourself and other and propulsion.

We have been very fortunate to receive funding from Water Safety New Zealand to heavily subsidize the programme. The cost for each child will be \$12.00 which will cover the cost of the pool entry and qualified swim instructors. Please note that each child must pay the full \$12.00 even if they do not attend all sessions.

The swimming money is due over the first two weeks of term 2 and needs to be paid online via Kindo which you can access on our school website <http://www.greenparkschool.co.nz/greenpark-shop/> or you can pay cash, cheque or eftpos at the school office.

The classes will be swimming at the same time each day. We are walking to Greerton Pools and we require parents to assist us on the way there and on the way back. Please contact your class teacher if you are able to help.

Children need to bring their togs and towel in a named bag. All children are expected to wear their shoes while walking to and from the pool. If it is raining we will still be going so please pack a raincoat daily.

Thank you for your support.

Mrs. Katie Lun and Mr. Josh Dickey
SYNDICATE LEADERS

Swimming Times – Please note that classes will be leaving school 15-20 minutes before these times.
