

## Greenpark School Weekly Newsletter

### Term 4, Week 7 2018

Kia ora koutou katoa,

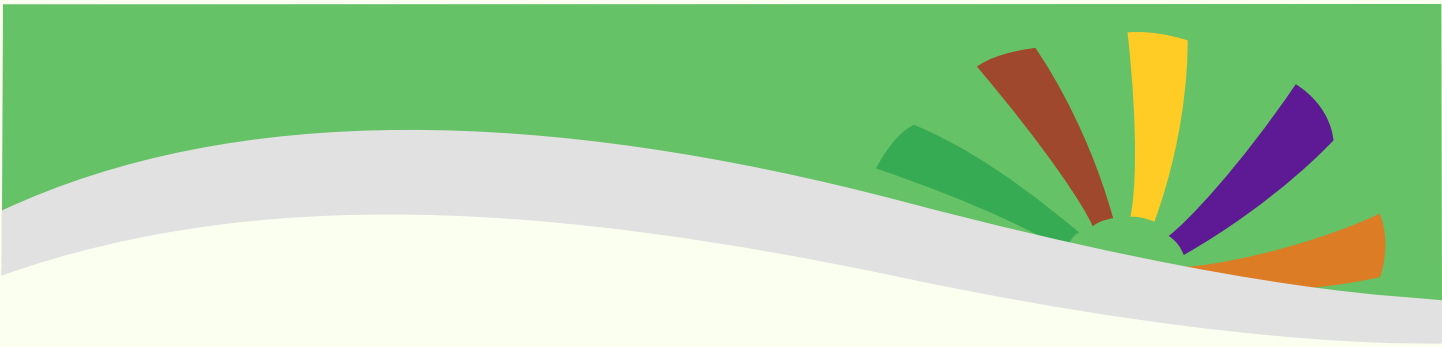

Thank you to all those who turned out to celebrate our Cultural Concert on Tuesday evening. This was an opportunity to share and celebrate the learning and achievements in the Arts. We are extremely proud of the attitude and talent of our learners and this was a great opportunity for them to showcase this.

Today we thanked our parents, volunteers and helpers. Greenpark School offers a variety of opportunities for our learners and this is made possible by the great support we get from our school community. Parent helpers, transport, managers, coaches, supporters, and umpires we really appreciate your support.

Congratulations to all our competitors at the Western BOP Athletics Championships. An extremely challenging day with some hot weather, but we are extremely proud of your performances and the way you represented Greenpark School.

Ngā mihi nui

Gareth Scholes  
Principal

### **END OF YEAR ASSEMBLIES**

As a school we have been reviewing how we celebrate the progress, learning and achievement of all of our learners at Greenpark School. This is extremely important to us ensuring that we recognise academic, cultural, sporting, and personal achievements. In addition to this we want to acknowledge the progress that our learners make throughout the school year. We will not be hosting individual end of year assemblies for each year group. Learners will be recognised over the next few weeks at a class and syndicate level to recognise their personal success, progress and achievement that we value at Greenpark School.

Year 6 will have their graduation celebration on the evening of Tuesday 4 December where we will recognise and celebrate their achievements during their time at our school.

### **RAFFLE WINNER**

A big Congratulations to Tamara who was the winner of the Art Department raffle. We hope you enjoy your prize!
